Church Library – Apologetics

Does “apologetics” mean apologizing for the Christian faith? No! It means defending the faith to those who question it. Our church library has a good section of books to help you develop your defense of the faith, whether in breaking down the lies of evolution, showing the reliability of the Bible, or simply talking to those who are uncertain about Christianity. Check out what we have in the “Christian Life and Witness” section of the library downstairs in the St. Paul’s parish hall.
